

EFX

For trips that take you miles away from home or just a few blocks down the road, the Transit-Liner™ EFX from Thomas Built keeps up to 56 passengers comfortable and secure. The cockpit is designed for driver comfort and safety with ample legroom and optimized access to controls. Plus, our engine cover allows for quick, easy, tool-free access to the engine, fluids and belts, keeping routine maintenance time to a minimum. At Thomas Built we listen to our drivers, mechanics and customers to help us develop the best buses on the road. And with one of the most extensive dealer networks in the industry, there's always support nearby when you need it.
